

Practicing physicians only are invited to:

## **Clinical Conundrums in AF Stroke Prevention**

Guest Speaker:

**Teresa S.M. Tsang MD, FRCPC, FACC, FASE**

### Learning Objectives:

1. Select treatment options for stroke prevention in atrial fibrillation using current Canadian Practice Guidelines and evidence supplemented with emerging “Real World” experience
2. Assess and optimally manage bleeding risks in patients peri-operatively or with a past history of a gastrointestinal bleed
3. Select appropriate antithrombotic therapy in AF patients undergoing neurosurgical intervention, stroke or TIA, or worsening renal function, and in the setting of an acute coronary syndrome (ACS) or stable coronary artery disease.

Moderator: **Elinda Ho, MD**

Date: **Wednesday, April 27<sup>th</sup>, 2016**

Time: **6:00pm Registration,  
6:30pm Presentation**

Location: **Sun Sui Wah Seafood Restaurant, 3888 Main St. Vancouver**
