

## YOU ARE INVITED TO ATTEND:

### IBS-C (Irritable Bowel Syndrome with Constipation) and CIC (Chronic Idiopathic Constipation) : New Treatment Options

You're invited to attend an interactive learning program that will address pertinent clinical information on linaclotide for Primary Care Physicians. This learning program aims to discuss clinical and scientific information on label with the linaclotide product monograph.

#### EVENT DETAILS

SPEAKER: Dr. Hin Hin Ko (MD, FRCPC)

DATE: March 25th, 2015

TIME: 6:30 PM Reception, 7:00 PM Dinner & Presentation

LOCATION: Sun Sui Wah, 3888 Main St, Vancouver, BC V5V3N9

#### AFTER ATTENDING THIS SESSION, PARTICIPANTS WILL BE ABLE TO:

- Understand CIC/IBS-C through the review of the Guanylate Cyclase-C agonist class and its impact within clinical practice
- Explain how linaclotide is different from other agents through the review of its unique mechanism of action
- Highlight the clinical body of evidence for linaclotide
