

COPD FUNDAMENTALS *for* PHYSICIANS

YOU ARE INVITED!

An Interactive & Practical Learning Initiative

Thursday, September 23rd, 2021 | 5:30pm – 6:30pm (Vancouver)

FEATURED SPEAKER

Susan Kwan, MD, Respiriologist,
FRCPC

FEATURED MODERATOR

Brian Wong, MD

PROGRAM OBJECTIVES

At the end of this program, participants will be better able to:

- ✓ Screen for chronic obstructive pulmonary disease (COPD) in targeted populations
- ✓ Tailor COPD treatment based on the patient's symptoms and exacerbation risk
- ✓ Optimize COPD pharmacotherapy, including choosing the appropriate device

RSVP

Please RSVP to Zelinda Carbonara at
