

**The Canadian Conference on Ethnodermatology  
The Sutton Place Hotel – Vancouver**

**Sat., May 27, 9am-12pm; 1:30pm-3pm**

***This program has been reviewed by the College of Family Physicians of Canada and is awaiting final certification by the College's British Columbia Chapter.***

This is your personal invitation to join us at this landmark one-day educational conference of GP/FPs, Nurse Practitioners, and Dermatologists, designed to provide better patient care for our diverse communities.

**Learning Objectives**

At the conclusion of this activity, participants will be able to:

- Understand skin disorders in ethnic populations, including the manifestation of common dermatologic problems
- Improve the diagnosis of these disorders in ethnic populations
- Use strategies and tools to better manage their patients, and understand the unique challenges they may face with respect to treatment
