President's Letter

Dear CCMSBC Members,

This is my second letter to you since I became president in May, 2011. It has been a good learning experience for me. Thanks to all our members, for their supports, especially our board of directors. In the past six months we have been carrying out the tradition and legacy of our society, and initiating some new activities.

Our AGM and annual dinner was a great success. Our members and distinguished guests enjoyed the dance and entertainment. The attendance was overwhelming. We especially acknowledged our out-going president, Dr. Urbain Ip, for his dedication and leadership during his term.

This year's Health Fair, 'Health and Wellness', was another successful event with more than 2000 attendants. Thanks to the hard work by our CCMSBC co-chair, Dr. Elinda Ho, the fundraising for the event was very successful. Our member speakers volunteered their valuable knowledge and time to prepare and deliver the lectures. As a tradition, our student representatives organized volunteers to work in a station to serve the public.

One of our new initiatives is the formal collaboration and partnership with iCON UBC (Inter Culture Online Health Network). iCON has participated in the Health Fair as an organizer, while CCMSBC members presented at the iCON annual Health Forum "Chronic disease prevention" which was well organized and attended. The new technology used in the Health Forum (web casting with simultaneous language translation, real time polling for public feedback, etc.) really set the stage for how new technology can be used in engaging the public to receive health information.

We have been organizing a few CME activities for our members. This will continue, and a series of CMEs have been planned for 2012. Drs. Peter Chung and Raymond Tong have initiated a unique CME trip to France, scheduled in April, 2012, introducing "The Best of France" with its rich culture, including multiple UNESCO World Heritage Sites. I anticipate that our effort to promote continue medical education will benefit our members and physicians at large in BC.

We welcome our newest board members: Mr. Max, Boyang Liu, first year medical student representative. It has been a pleasure to work with our dedicated board of directors.

With the holiday season approaching, I give my warmest greetings to our members and their families. Although we are facing many challenges in the coming year, I am looking forward to a productive year to fulfill the mandate of our society.

I wish you and your family a Merry Christmas and a happy, healthy and prosperous 2012.

Sincerely,

Jen Yu, President, CCMSBC

Health Fair 2011

Our annual health fair took place on September 17, 2011 at Bonsor Recreation Complex in Burnaby. The other main organizers were S.U.C.C.E.S.S. and the Chinese Canadian Dental Society of BC. Supporting organizers were BC Transplant Society and a new one this year was iCON (intercultural online health network). A big welcome to iCON for joining the Health Fair Planning Committee. The fair was well attended by approximately 2000 participants. Dignitaries from 3 levels of government were in attendance for the opening ceremony and toured the fair. This year's theme is simply: Health and Wellness. Attendees gained knowledge on many common health concerns from childhood developmental problems to dementia. The physicians, dentists, and one physiotherapist who volunteered their time preparing and giving these talks were Drs. P.L. Lee, Anthony Chiu, Susan Kwan, Hin Hin Ko, Paul Chin, Jenny Wang, Nelson Hui, Joanne Jia, Jane Xie, Xin Yong Wang, Jian Ye, Ian Tsang, Simon Huang, Raymond Dong, Kendall Ho, K.K. Wan, and Mr. Edward Wong. A variety of health screenings were also provided to the public. Countless hours provided by many other volunteers make this fair run seamlessly every year. As always we are grateful to the many generous sponsors who make this fair possible.
